

# ART EXHIBITION OPPORTUNITY FOR ARTISTS UP ARTISTS!

## BACKGROUND

Cornish College of the Arts is committed to the outreach and support of our local community of artists in both the visual and performing arts. Cornish commits to demonstrating respect for individual expression and integrity; to promoting the equality of opportunity and rights of all persons within the community and to actively encouraging and maintaining the representation and inclusion of diverse cultures and backgrounds within the student body, faculty, staff, curriculum and partnerships. Our wish is to create a group exhibition with the theme of **THEATER** to help celebrate Nellie Cornish's 100 years of theater making in Seattle for the month of April 2019. Approximately 20–30 pieces are expected to be selected for this exhibition by multiple artists. Artwork can be listed as available for purchase, artist receives entire sale price with no commission to Cornish. We are reaching out to artists that have been a part of Artist UP program through the Office of Arts & Culture, 4Culture, and ArtsWA.
